Commissioner for Patents

Dear Sir:

Attached hereto is a form PTO/SB/08 listing one reference.

This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required in accordance with 37 C.F.R. § 1.97(b)(3). If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

**PUBLIC USE**

Applicant respectfully requests the Examiner to consider the following information pertaining to a public use:

It appears that one or more retractable vehicle steps similar to the design shown in Figures 7-9 of the present application were in public use in the United States more than one year before the filing date (August 19, 2003) of the present application, but less than one year before the filing date (October 16, 2002) of the parent of the present application. Thus, it is believed that this public use is applicable to the present claims only to the extent that any claims are not supported by the parent disclosure.

Appl. No. : 10/643,708  
Filed : August 19, 2003

**COPY**

Docket No. AMERMOT.066A  
Customer No. 20,995

To the extent that this public use is prior art, it is believed that all claims define over the publicly used design. Of course, the Examiner should make his own independent analysis.

**CONCLUSION**

The Examiner is respectfully requested to indicate his consideration of the information set forth herein by signing the attached form PTO/SB/08.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
